Donations received from Singapore will be primarily used on expenses relating to collaborative learning activities of Singapore-based volunteers who offer their services in overseas medical missions, delivery of surgical care as an outcome of the collaborative learning, and other local expenses. TSM cannot issue double income tax benefits to donors because it does not have IPC status. TSM is unable to apply for an IPC status because its programmes are targeted to across Asia, not only for the community in Singapore. UEN 200720373E | CHARITY REG 2077
